Realtor® | Property Management & Tech-Integrated Strategist

(502) 299- 5252 | zerricdotcom@gmail.com | www.zerric.com

PROFESSIONAL SUMMARY

Dynamic Property Management and Real Estate professional with a unique blend of hands-on operational experience, cybersecurity expertise, and software development skills. Proven track record of managing multi-unit properties, maximizing occupancy rates, and leveraging custom-built technology to streamline operations. Certified in Cybersecurity (CC), with a focus on protecting tenant and landlord data, mitigating fraud, and securing properties. Dedicated to creating win-win scenarios by filling vacancies with qualified tenants while providing owners with transparent, data-driven management and maximum ROI.

PROFESSIONAL EXPERIENCE

Managing Member | Z Dot LLC | Louisville, KY

Evolving from Digital Marketing to Integrated Property & Business Solutions

- Direct property management operations for 3 apartment buildings, overseeing daily tenant concerns, maintenance scheduling, lease execution, and compliance with local regulations.
- Developed and deployed a custom **tenant portal** enabling a client to collect rent directly, eliminating costly third-party fees associated with platforms like Zillow and Avail.
- Provide comprehensive business consultation, advising property owners on operational efficiency, long-term growth, and leveraging technology to increase asset value.
- Build and maintain robust networks, connecting tenants with lenders and credit experts to convert renters into future homeowners.

Realtor – Leasing & Tenant Representation | LPT Realty | Louisville, KY

- **Leasing & Tenant Placement:** Specialize as a Leasing and Tenant Agent, priding myself on rapid vacancy fill rates. Deliver high-quality tenants who provide reliable income for landlords while ensuring tenants gain security and pride in their new homes.
- **Marketing Innovation:** Market listings using a comprehensive suite of tools including professional photography, immersive 3D tours, targeted social media commercials, printed advertisements, and word-of-mouth campaigns to drive high visibility and engagement.
- **Investor Services:** Work directly with real estate investors to analyze cap rates and cash flow, identifying properties that meet specific financial targets and growth strategies.

- **Technical Integration:** Utilize advanced IT and software development skills to automate workflows, analyze market data, and create a seamless experience for property owners and tenants.
- **Advisory Roles:** Serve on the **Fair Housing Committee** at GLAR and contribute to the **Tech Advisory Council** at LPT Realty, shaping the future of real estate technology and ethical practices.

PROPERTY MANAGEMENT & TECHNOLOGY SKILLS

- **Property Management Software:** Proficient in **Avail**, **Turbo Tenant**, and **Tenant Cloud** for managing tenant communications, maintenance requests, and lease tracking.
- **Tech-Forward Operations:** Built a custom, direct-payment tenant portal to streamline rent collection and reduce third-party fees.
- **Security & Scam Prevention (Cybersecurity Certified):** Alert tenants and landlords to common and emerging real estate scams. Utilize secure, encrypted platforms like **DotLoop** for document handling and advise on smart-home monitoring and digital key management to protect vacant properties.

EDUCATION & CERTIFICATIONS

University of Louisville | *Louisville, KY*
Bachelor of Science in Marketing

- Elected into the Mortar Board National Honor Society; Chapter Advisor Award for leadership and service.

Broker's License Education (Completed)
Cooke Real Estate School

- Coursework in Brokerage Management and Commercial Real Estate.

Certifications

- **(ISC)² Certified in Cybersecurity (CC)**
- **HubSpot Certified:** Digital Marketing, Reporting, CMS for Developers.
- **NAR Certification & Requirements**
- **CRM Automation & Boot Camp Completion**
- **Zillow Premier Agent Training**

KEY ACHIEVEMENTS

- Designed and implemented a custom-built tenant portal to facilitate direct rent collection.
- Reduced vacancy turnaround time through aggressive, multi-channel marketing strategies (3D tours, commercials, print).
- Actively contribute to industry ethics and technology through committee and council appointments (GLAR Fair Housing; LPT Tech Advisory).
- Leveraged cybersecurity certification to protect client assets and educate on scam prevention.
